

Octofuse - Artificial Intelligence (AI) Policy

Last Updated: August 27, 2025

This Artificial Intelligence (AI) Policy explains how **OMI-TECH LLC** ("OMI-TECH," "Octofuse," "we," "our," or "us") integrates, manages, and discloses the use of AI features in the Octofuse platform, websites, applications, and related services (the "Services"). This Policy applies globally, including the United States, Mexico, the European Union, Brazil, and other jurisdictions where Octofuse is used.

It is designed to comply with international regulations, including the **GDPR (EU/UK)**, **CCPA/CPRA (California)**, **LGPD (Brazil)**, and **LFPDPPP (Mexico)**.

1. Purpose and Scope

This Policy describes: - How Octofuse uses AI-powered features. - The limitations of AI outputs. - The rights of users regarding AI-driven functionalities. - Our commitment to ethical, transparent, and lawful AI use.

2. Use of AI in Octofuse

Octofuse may use AI to enhance productivity and user experience, including but not limited to: - Automated task generation and suggestions. - Data insights, summaries, and recommendations. - Natural language processing for queries and support. - Content enhancement or personalization.

AI features are intended to support users, not replace human judgment. Users are responsible for evaluating AI outputs before relying on them for decision-making.

3. Limitations of AI

- **No Guarantees:** AI outputs may be inaccurate, incomplete, or biased.
 - **No Professional Advice:** AI features do not constitute legal, medical, financial, or other regulated advice.
 - **User Responsibility:** Users remain responsible for verifying AI outputs and using them appropriately.
-

4. Data and Privacy

- AI systems may process user-provided inputs to generate responses.
- Octofuse does **not** use customer content or personal data to train third-party AI models without explicit consent.

- Where third-party AI providers are involved, data sharing will be limited, anonymized where possible, and governed by contracts consistent with GDPR, LGPD, CCPA, and LFPDPPP.

For more details, see our **Privacy Policy**.

5. User Rights

In accordance with GDPR, LGPD, and other laws, users have rights regarding automated processing, including: - The right to **know** when AI is used in providing Services. - The right to **object** to decisions made solely by AI that significantly affect them. - The right to request **human review** of important decisions. - The right to request **explanations** about AI-driven processing where legally required.

6. Responsibility and Liability

- AI features are provided **“as is” and “as available.”**
 - OMI-TECH disclaims liability for damages resulting from reliance on AI outputs, except as required by law.
 - Users agree not to use AI features for unlawful, discriminatory, or harmful purposes.
-

7. Compliance and Ethics

- Octofuse commits to ethical AI practices, including fairness, accountability, and transparency.
 - Octofuse monitors AI systems for misuse, bias, or security risks.
 - Octofuse complies with applicable laws and updates its AI practices as regulations evolve (e.g., upcoming EU AI Act).
-

8. Updates to This Policy

We may update this AI Policy periodically to reflect changes in technology, law, or our practices. Significant changes will be communicated via email or through the Services. Continued use of the Services after updates constitutes acceptance of the revised Policy.

9. Contact
